Extraordinary Meeting of the Administrative Board – OCTOBER 15, 2026

On **October 15, 2026** the **Administrative Board of Danubius International University** convened for a Extraordinary Meeting

During the session, a series of decisions were unanimously approved by the attending members, concerning the university's academic and administrative activities.
We hereby publish the list of topics discussed and approved, while respecting institutional confidentiality:

- Approval of the new study programmes;
- Approval of the requests submitted by DIU tenured academic staff to carry out teaching activities remunerated on an hourly basis at other universities, in the academic year 2026–2027;
- Approval of the requests submitted by graduates of other universities to take the Bachelor's Degree Examination at Danubius International University, as well as the requests submitted by graduates of Danubius International University to take the Bachelor's Degree Examination at other universities;
- Approval of the Bachelor's Degree Examination for graduates of the Social Work study programme at the University of Petroșani during the 2026-2027 academic year;
- Approval of the proposal to open competitions, in the first semester of the 2026-2027 academic year, for vacant teaching positions included in the staffing plan of the Department of Informatics and Technologies within the School of Media, Design and Technology;
- Approval of the proposal to open competitions, in the first semester of the 2026-2027 academic year, for the second semester of the 2026-2027 academic year, for vacant teaching positions included in the staffing plan of the Department of Psychology and Social Work within the School of Life Sciences and Human Advancement, Social Work study programme;
- Approval of the proposal to open competitions for vacant academic positions for Semester I of the 2026-2027 academic year within the School of International Governance and Law, Department of Public and Private Law.

These decisions reflect the university's commitment to responsible, transparent governance, tailored to the needs of the academic community. In this regard, each adopted resolution contributes to the consolidation of a coherent institutional framework, where administrative and academic processes unfold in a harmonized and predictable manner. We aim for this approach to foster a climate of trust and collaboration, in which every member of the university community feels represented and actively contributes to the institution's development.

President of the Board of Administration,
Associate Professor Corneliu-Andy PUȘCĂ, PhD
